

## Bike Rodeo at Wolf Point, Montana

July 13-15, 2007

It was a great turn out for the bike rodeo despite the heat. Injury Prevention members that participated were Highway Safety Officer Louis Peterson, Fort Peck Tribes Criminal Investigator Jose Figueroa with Mt. National Air Guard present. Adrian's spouse, Shannon and Environmental Health Tech Nickolas Big Horn assistance made the bike rodeo successful and with out them it would not have been possible for this event. Bike helmets were given to the participants before they went through the obstacle course and given coloring books and hand shakes to congratulate them on a good run through the course.
